Privacy Level 5

- Pilkington Texture Glass offers privacy and style throughout the home
- Five levels of privacy are available, graded from 1 (least obscuration) to 5 (greatest obscuration)
- There are 12 original patterns in the main range, including exclusive designs by Oliver Heath of Blustin Heath Design, a regular on the BBC's Home Front and Changing Rooms series
- All are available toughened or laminated for safety and security
- All are suitable for double glazing
- The range is widely available from your local glass merchant or glazier

For privacy, pure style or to allow more light into internal rooms, Pilkington Texture Glass gives you a fantastic range of attractive options.

The Pilkington range gives you no fewer than 18 different designs, together with our premium range of etched glass. From classic to contemporary, no one offers a bigger choice of original patterns.

The advantages of Pilkington Texture Glass are easy to see too: it allows maximum light while maintaining your chosen level of privacy or obscuration, and also forms an attractive decorative feature itself. That's why our texture glass is the most trusted in the market.

With a wide range of designs and the Pilkington Oriel etched glass range offering even more possibilities – all with the quality you would expect from the Pilkington range – there really is no better choice of decorative glass for your home.
